“ *I realize I am a little late but an old co worker just shared with me this sad news. My thoughts are with you. I have to say I once worked with Heckart at American General and he was an amazing person. This was over 8 years ago. He truly is someone I will always remember and have a smile on my face. Heckart always like to have fun and he made that job so fun on the days he was in our office. Granted he was only there typically for a visit but I so looked forward to those visits because I knew exactly what to expect. He was such a great man and had an awesome personality. He left an positive impression on me and I can't say that about every person I meet. The world has suffered a great loss Jim Heckart. May you rest in peace.*

“ *"THANKS FOR THE MEMORIES" Mary and Michael, Christmas days, Summer fun, setting off fireworks or just watching movies together. We are grateful that you chose to spend part of your life with us and Jim's spirit will live on in the many memories we have to share. There are not any words that can express the sadness we feel. Know that in our hearts " you are family" and we love you.*

“ I will never forget his first day at American General, he walked into our office in Waterford and immediately said I can't work in this place! I should mention at the time our office was located literally in the back room of another office at the time. Jim was always there to listen, offer his crazy advice, or lend a shoulder. Mary and Mike, may you have comfort in knowing all the lives he touched. Rest in peace.

“ Well.. What do I say? I too had the great pleasure of working with Jim for many years. In 2000 Jim set me up on a date with a girl in his office in Ann Arbor. Long story short - this girl turned out to be my wife and mother of my three boys. I am forever grateful to Jim. Mary & Mike - Jim spoke of you frequently. I hope to have the same relationship with my boys that Jim shared with Mike. RIP Heckart.

“ I had the fortune of being a friend and coworker of Jim's for several years. I tell people often of how he was able to remain so happy and spread cheer even when most of us would have expected him to be having bad days. He inspired me to shrug off the troubles and see the bright side in each day. Jim's friendship and mentoring has been greatly appreciated. To his dear wife and son, I hope he told you as much as he told me how much he loved and cared for you both. My prayers are with you. God bless you, Heckart.

“ To Mary & Family: We were saddened to hear of Jim's passing. He was always a lot of fun when we were together years ago. May God Bless you at this time. We are unable to attend the service on Sunday due to a schedule conflict. We will be thinking of you.

“ So many great memories...that laugh, that smile. Jim was so much fun to be around and it was so obvious how much he adored Mary and Michael. I know my dad was there to greet him when he arrived and I know they spent the 4th of July shooting off lots and lots of parachutes...

“ I can't find the words to express how I feel. You have my sympathy, prayers, but most of a great deal of love. Jim will be missed by many but he is at peace. I am sure he is enjoying Mom, Dad and Bernie's company. Probably freezing Dad's keys right now. Love you, Jimbo!

“ He was one of my fun Uncles. His sense of humor and wit will not be forgotten. I'm sure he's giving Gram and Grampa Heinrich a run for their money (again) in heaven. Rest In Peace Uncle Jim. We send our Love and Condolences.
