“ *Ron, Ryan and Stacey,  
We are sorry to hear about Joan. We have memories of visiting with her over the years at the Jenkins Christmas parties and running into you at various downtown Plymouth restaurants while she was still able to get out. Stacey and Ryan, Always remember she was so proud of both of you and it always brought a smile to her face when I asked about you. Ron, I know there are no words really at this time that help but our thoughts will be with you.*
