“ Bobby and Theresa, You probably don't remember me but my mom Johnie Belcher used to babysit the two of you when we were all kids. Clearly, that was long ago. I also loved your mom and I always loved the two of you. I have thought about you often over the years, wondering if you are still around and how you are doing. Please know that you are in my thoughts and prayers always, but especially right now because of your grief. My mom is still going, almost 90. Please know that I am here and that I am asking God to give you some degree of peace. Sandy Belcher-Dennis-Groth
