“ A lady that knew her craft, first time I seen Joan, I was visiting Ford Motor on Plymouth Road for a meeting with some engineers, while waiting in Lobby Lo and Behold was Joan's picture with others hanging in the lobby as big as day. She was a tribute to her craft and I was fortunate to have known this fine lady.  
Little did I know she would come into my life another way.

*I have been fortunate to meet this fine lady she will be truly missed by family and friends.*

I know one thing for sure even tho your no longer here, I know you'll be watching over us each and everyday.
