“ I've known Joanne for over 30 years and she arranged for me to have my precious Mandy. The GC people will miss seeing her and Sebastian on their daily walks, both dressed to match. I can't believe she's gone. I hope Sebby will be with someone who loves him as much as Jo did.

“ My great grandma was a hip grandma she was instyle and everything she wore would match. There were so many words i could say about her. I will miss her greatly. Like my mom said i wont see her number calling our house no more. The most thing i will miss is walking out to her car and helping her carry her things into our house. My birthday was on the 18th but she always had her birthday cards done early and i got mine after the day she passed, that card will be important to me. I will miss her, i love you mimi.

“ My grandmother was an outstanding women. There is not one word that I can use that best describes her.....I would probably be able to sum it up in about 500 words. People say she is lucky to have me as a granddaughter, I never thought of it that way, I think how lucky I am to have a grandmother like her. This world wont be the same without her. She has touched many hearts especially mine. I am truely grateful for the time I did have with her and I will cherish our memories. I love you Mimi with all of my heart and I miss you so much. Your granddaughter, Sheri

“ To the Family of Joanne Johnson, I worked with Joanne at Ford during the 1980's. She loved to do birthday cards for "her boys", those of us that were supervisors and managers working in her department. Joanne continued to send me birthday cards (a very important thing to her) and I would send her Christmas letters to keep her informed about my family. I will miss the exchange. My Condolences, Lou Christensen

“ *To the family of Joanne Johnson, She was my friend. I will miss her. For the last number of years, she and I had lunch on the second Monday of each month. In fact, we were going to lunch on the day of her accident. I truly enjoyed our times together. And, I send my prayers to you, her family. With love and sadness in my heart,*
