“ *Love this family! Joanne and her brother and sister all grew up in our church at Plymouth United in michigan. So sorry for your loss. Jesus knows. I will always remember that phrase that someone wrote in a card when my dad passed away. i have found great comfort in remembering that.*

“ *Although I hadn't been in close contact with Joanne for many years, I will never forget back when I was in high school (I was a few years younger than her), my boyfriend and I had broken up and it was a very trying time in my life. Almost every day after school I would go visit her up at the tanning salon where she worked. She always cheered me up and we had so many great laughs. She was always there for me at that time and I will never forget it. Joanne, you will never be forgotten. You are a beautiful soul and I know you are at peace with God. Love you! Dana*
