“ I have very fond memories of Joe. We grew up on Currier St.. We went from elementary to high school. And remained friends... I have so many great memories, where would I begin.. ? I remember playing kick ball, hide and seek at night time and even knocking on doors and running like heck before the person answered the door.. We would get rotten tomatoes from my Dads garden and throw them at unexpected cars coming down the road!... And in the winter time we would build forts and have snowball fights which was quite memorable! I remember all us kids On Currier St making snowballs during the day so we could throw them at cars at night time! we had a blast! but one of my fondest memories when Joe and I we're boyfriend and girlfriend in 6th grade. he went to Mexico for a wrestling tournament and came back with a most beautiful bracelet that he presented to me !!! I still have that bracelet to this day and every time I look at it I remember him and his kindness!.... I am so thankful and I treasure all the great memories I have of Joe... I will always keep them close to my heart!God bless and much peace and comfort to the Glass family... and remember a great legacy he left behind! XO You will be missed by so many people Joe!!!!

*I am sad to hear of your loss. Joe was my first real Jr. high crush. I would time visits to my locker just to pass him in the hall. He was funny and kind and I still treasure my yearbook that he signed with - to a real pretty and sweet girl. Rest Peasefully my friend! Sorry you left so soon.*

“*What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget" I Take comfort in knowing I shared love and life with you. You will be missed down here Joe but embraced in heaven by so many. We spent many wonderful years together, and I thank you for being like a father to Alex and Madison. You were such a sweet man, full of life, who loved his family very much. You RIP Joe, keep the rest of the angels on their toes save some fish for the rest of us to catch up there. You will always be in my heart and thoughts, I will miss you, your beautiful blue eyes and I love you always. Remember to schmiggle. XOXO*
