“ *My condolences to Pat and all the Allmand family. It was my privilege to work with John and the Allmand Company. John was an astute businessman admired by all who worked with him. I will remember most his honesty, sense of humor and smile. Of the many memories the one that comes to mind first is the Allmand fire and the cat.*

With sadness and many memories from those years long gone by.

I always looked up to my cousin and his beautiful wife Pat, they were an awesome couple in our tight little family. As we lose our Loved ones we tend to rely on those left and Johnny was my go to relative in Michigan as I am from California. John's family and ours were able to stay close across the miles with visits and plenty of phone conversations across the miles and years. I know the family will welcome you as we grieve, and you'll be there for us in a few years. I'll miss you cousin, and promise to stay in touch with your family for ever.

To the family of John Allmand. It was my pleasure to have known you during his illness and being there for him. The family was such good people and they accepted me as another member of the family. The last days with him was very special we all came together as a family. I could not of asked for a better family to be a part of. May the Lord continue to watch over you and give you strength in the up coming days. Love you

“ I'm John's second cousin (or first cousin once removed, I can never get that straight, John's ,mother, Lila, was my first cousin and a very good friend of my mother's.) I grew up around John. His parents rented a cottage near our home and eventually moved not far from us. I worked at a private club my first summer out of high school and Pat worked there also. Since Pat's family was far away, I invited her home on one of our days off. John had just gotten out of the the air force (I believe it was the air force). It was love at first sight for John. There were married that fall. I'm sorry to hear John passed and my deepest sympathies go to Pat and their family. Kay Crook

My husband and I met John and Pat on a Cruise, we were celebrating our 25th wedding anniversary. What a delight to meet this outgoing couple from Michigan, we were from San Diego and we had sooooo much fun with them. Saying our goodbyes at the Miami Airport I thought I would never see them again but that was not to be. Since meeting John and Pat we have been so many places together, they showed us Michigan and we showed them California! John's humor was so dry and I will never forget his very large cigar and him piggyback on a young man so his pants wouldn't get wet!!!! Pat asked him if he tipped the young fellow and he said no! He got sand on my pants!!!! We are very proud and honored to call John our friend over these many, many years. Our condolences to our dear friend Pat and her family.

“ *John Allmand was my uncle. He was a kind and decent man, always taking time to care for his family, friends, and employees. My heart goes out especially to Aunt Pat, Johnny, Liddy and Andy, as I know their worlds are considerably emptier and lonelier today. RIP Uncle John. I will miss you. Donny*

I am the Sister of Michael Mirabitor who used to work for John Allmand. I never met Mr. Allmand or his family, but my brother worked for John Allmand and he shared so many great memories of Mr. Allmand with me. He was such a great man and gave my brother his first job opportunity. My brother loved working for John Allmand and always had kind words for him and his family who was a wonderful and compassionate person to his employees and family. Mr. Almand has made a Legacy that will never be forgotten by many people. I remember one time when Mr. Allmand paid for an awesome gift for his employees and let them bring a couple of their family members with them. He sent them to a game at Tiger Stadium on a bus and bought all of us Famous Recipe Chicken dinners while we ate them on the bus. I was fortunate enough to be asked by my brother to come along on this Trip. We had such an excellent time and I thought to myself how many employers would do such a wonderful thing to appreciate them. My brother missed working for him and his family! He still talks about John Allmand even today to me. It surely must have been an honor to work for someone who cared so much about people. I am so sorry for your loss! He will never be forgotten! “ Ken is sharing memories of Uncle John - He just share that Uncle John is the first person I talked to after I came out of my coma. He said ‘Do you remember the half moon on the door of the outhouse on Grandpa’s boat’

He also gave him wise advice about signing a contract in a partnership work arrangement. Wanted to make sure Ken didn’t get taken advantage of. “Always looked good in his business suits”.
