“ *I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at ctksdk@yahoo.com Sincerely, Carlos & Sandy*

“ My Deepest Synpathy in the loss of Johnny. He struggled for a long time and now is at peace. Even when we know their time to pass is coming near, we are still never truly ready to be without them. Johnny's memory will remain in our hearts. He has gone to be with others in the Barron family that have gone before him. Rest in Peace.

“ I am deeply saddened by the loss of my Uncle Johnny. A truly loving and caring man who lived his life with zest, passion and with an abundance of sense of humor. A true Barron who's legacy will live within us all. You will forever remain in our hearts and our memories. In honor of you Uncle Johnny I post this poem and made a few changes in your honor with love in my heart. "Gone from Sight" We are all standing upon the sandy beach of Ipperwash by CobbleStone. There's a sailboat off to our side that spreads his white sails to the warm moving breezes and starts out to sail in the blue water. It's an object of beauty and of strength. We watch until only a speck of white remains where the sky and the blue water dance, meet and mingle. And then he is gone. Gone from our sight. But in that very moment when we cannot see him anymore and there are tears that he is gone, there are so many others with eyes and arms wide open, many familiar voices that take up a giddy glad shout and run to him saying "Here He Comes!!!! Here He Comes" And you are home Uncle Johnny. What a wonderful moment that must be. When it's time, we'll see you where the blue water meets and a dances to the beautiful Ipperwash sunset! My love, thoughts and prayers of comfort to my cousins Laura Joanne and to my Aunt Phyllis and to our entire family during this time of loss. xoxo

“ Although he was "Mr. Barron" to us as kids, over the years we got to know him as John and discovered the wonderful, creatvie, and fun person he was. Of course, Bill and Sandra already knew that. We remember the laughs the times we were able to connect before Sandra passed and John's Parkinson's got worse. We so appreciated the framed photo that Phyllis and John gave to us at mom's passing and think of you both when we see that and the lovely painting from John. John and Sandra are laughing again and smiling down on us. Love to Phyllis and the family.

“ Aunt Phyllis, Joanne, Laurie, and family: Our thoughts and prayers are with you at this time; we wish we could be there to give you physical comfort. As I think back on all the family gatherings, one thing stands out in my mind. We were all up at the cottage on Lake Huron, and the waves had gotten really big--bigger than I'd ever seen. It could have been that they were slightly larger and I was just small, but I remember thinking they looked like Hawaii style waves. Uncle Johnny was in the surf and cam out soaking wet...then threw his toupee onto the sand. I think my eyes were as big as saucers since I didn't realize he had one. I will never forget his sense of humor and his love for all of you.

“ My deepest sympathy to ZJB's family and friends !
JB is an angel in heaven after suffering from Parkinson's for so many years. I had the joy of working with JB when I got hired Aftermarket Sales Ford in 1997. We had traveled together on sales blitzes and one I remember the most was Phoenix Aug 1999. JB took me under his wing like a surrogate father. JB taught me so much and he was always there to help me with my garden, home and Chloe my dog. Before the Parkinson's made him immobile he would stop by on a Saturday to rearrange containers on my deck or we would grab a burger and a beer after work and he always had fatherly advice for me which I absorbed like a sponge. I have so many happy memories of JB dancing, singing or telling jokes at get togethers!
I know he is pain free ... dancing in heaven and reunited with his son Doug and his parents and siblings.
I am grateful I have his paintings he made for me too! I am a better person for having the love from Jb!
God bless his soul and may JB have eternal peace!

Miss you JB??
