“ *John was on of the first few group members I met and I will always hold his memory in my heart. Although nicknamed "Grumpy", John was far from it in my eyes. He seemed to me to be trying to hide a childish smile which never failed to surface within the first 30 seconds of conversation! I will always remember how welcome John helped me feel at every gathering. He was a wonderful guy, truly loved by all. He made an impact and his time here has meant alot to many. He was special. To his family - God bless you and may you know that John is safe. We love him.*

“ *John was a fixture in the Western Wayne Area for over 18 years. He was here when I got here and it's not going to be the same without him.*

John was always a part of the "Fellowship" and not just a member of the program... he will be missed, but most of all REMEMBERED.

He helped me in ways he probably was never aware of, just by continuing to be there when I came around for functions.
