“ *Chadwick family, you are all in my thoughts and prayers. We were so sorry to hear about Uncle John. I wish I could have been there to say my final goodbyes. I will never forget how special he always made me feel. How he always called me 'his girlfriend' and 'pretty lady'.*

“ *Dear Brian and family, We are so very sorry to hear about your Dads passing. Please know that your Dad and all of you are in our prayers. We will pray for strength and love for you to get through the difficult time ahead. There will come a time when you will smile again and not cry when you think of your Dad. Looking at his picture, I can see you. You are apart of his reflection, I am sure that you have a million memories to cherish. So, hold them tight against your heart and remember, God willing we will see our Loved ones again in Heaven someday. Your Friends, Tim&Geri*

“ Your father was always one of Carp's favorite parents (your mom too). They are now, once again, talking and laughing about some of the things the 'Chadwick Boys' did on and off the track. Mark was a young dad at the time and your father was a wonderful example for him.

*Our deepest sympathies to all of you.*

“ I had interactions with John at Ford Credit. He was a fine man and knowledgeable in the area of finance. Truly a great loss to one and all.

“ Dolly and the rest of the Chadwick family. So sorry to hear about John. You will be in our prayers as you all remember all the good times you all had together and prepare to say your final goodbye to a wonderful person. We are sure John is with Greg now as we speak probably playing a hell of a round of golf, waiting until all of you will reunite in God's kingdom. Take Care, Love, Jack & Karen Jaynes

“ We are sorry for your loss. As a neighbor to Chris, we had the privilege of getting to know John during his visits to Dublin, Ohio. We will always remember his sense of humor and quick wit. May God bless your family during this difficult time.
