“ *Uncle John and Aunt Dolly were my Godparents. I wondered and searched for him many times and could never find a current address. We lost touch after Aunt Dolly passed and then my Mom shortly after. Lots of fond memories of both of them. Love, Nancy (Fenstermaker) I am sure they are all up in Heaven having a blast.*

“ *Dear Family of John,*

I'm an old neighbor of John's and had many great conversations with him. From Time to time I would stop by and say hi just to check in with him....he had many great stories!

RIP John ,,, , our thoughts and prayers are with your family!

“ *I always enjoyed being with Uncle John. He had a smile on his face and a quick laugh in his heart. May his memory be eternal +*
