“ *John has been such a blessing in my life. I was able to make his acquaintance through his daughter, Terry, and we seemed to be able to develop a wonderful friendship. John was able to share his Catholic faith with me and I being Catholic we enjoyed each other's experiences with our faith journey. I viewed John as a mentor and father like leader who quietly pushed me to go deeper in my faith. He shared countless books and magazines with me that helped me become stronger in my knowledge of our Church. I in turn have passed on many of those books and magazines to countless others. One will never know the impact of the ripple effect of John's kindness and generosity. It was such a treat when John would come to town to visit with Terry. It always meant a great lunch meeting and attending mass together. The conversations were so positive and encouraging and the time would fly. John was a true man of God and one of those individuals that you want to listen and learn as much as you can from. I will truly miss him and I know his family will honor his memory by continuing to let his love and faith shine through them. Terry, my prayers and heart are with you and your family during this tough time. Please take comfort in knowing your Dad has come to rest in the arms of our Savior and he would want you all to be happy for his return home.*
