“ *I have been Nick's friend since the 80s... I am thankful to have known Mr. Farrell while growing up in Plymouth. Mr. Farrell was one of the few computer gurus that I met in the days of my youth; I ended up studying Computer Science and now write software. He was always very helpful and patient in explaining things. He also had great stories to share about being in the Navy. My thoughts and prayers are with the family.*

“ *I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at ctksdk@yahoo.com Sincerely, Carlos & Sandy*

“ I was sad to her about the loss of John. I would have come to the funeral home if I had found out sooner. I met John at Bally's many years ago and he worked with me at the EPA until he retired. I will miss his smile and offbeat humour. He would call me and we would meet for lunch in Ann Arbor. He was proud of his family and Barbara. I will truly miss him. May he rest in Peace.

“ John, you were a lifelong friend. I knew you back in 1977 at IBM. You always had a smiling face and a joke for every occasion. Our annual trips with our mutual friends, Bill and MaryLou Johns, were always fun. You will forever be in our hearts. Love, Bob and Sherry Schneider.
