“ Although John and I did not spend alot of time together when we had family gatherings, we always found time to chat about our times working with the phone company. We both retired with them and liked to share stories of the changes the company went through.

John and Laura were quite a couple and it was always quite fun to hang out with them. We miss Laura daily and can now add John to the list of memories.

My sincerest condolences to Dawn and Tanya and their entire family and friends during this most difficult time...God Bless you cousins!

“ I enjoyed working with John on several projects for AT&T/Lucent. He was a great technician and all of our implementations went flawlessly because of his attention to detail. I was also lucky enough to work with John again at my 2nd career with AAA Insurance and he worked on several projects there for us as well. John was a great friend and will be missed by all that knew him. Condolences and Prayers to his family during this time of sorrow. Until we meet again John, RIP.

“ I am one of Laura's golfing gals (The Matildas). I only met John once or twice but know that he must have been a special person to have been the husband of Laura. What a great couple!

“ *Condolences to the Fliss family. While most of the family do not know me, I knew John, Jimmy, Barbara and Lilly (I hope I got that name right) and their parents. I am the same age as John and I am his second cousin. My lasting memory of John was from 1960. Back then, my twin brother, Richard, and I took our bicycles from our North West Detroit home to John and Jim's house. From there, we proceeded to bike down to Belle Isle, where we spent the day. Sadly, when I told John of that memory recently at my mother's funeral, he did not remember that day, which surprised my brother and I as that day was fixed in our memory. Four children rode their bikes from Northwest Detroit to downtown Detroit to Belle Isle. That could never happen today. Rest in peace John.*

“ *I have known John since the 1960's when he married Laura Graciak. He was a quiet, good man. I am sure he will be missed and now he is in God's hands. Sincerely, Beve Schiff*
