“ *I'm sorry for your loss. Death is our common enemy as it affects all of us. I therefore want to encourage the family to take heart and be hopeful in the promise by God, that he will wipe every tears and no more will be any death again. Death will be brought to nothing, Isaiah 25:8 and 1Corinthians 15:28. God by means of Jesus will call and all that died will hear his voice and come out. John 5:25. We have an opportunity to see our dead loved ones come back to life again and never to die. What a wonderful moment that will be!*

“ *My condolences to Jim and the family. John was a part of my growing up years and the memories, his smiles and jokes are etched in my mind. He leaves behind a wonderful and giving family. He lived a full life surrounded by friends, family and a wife of 60 years. We should all be so lucky.*

“ *Gerry and Family: I am so sorry for your loss. I will always remember Johnny has having a smile on his face. He was a good man and I'm sure there are many people in heaven celebrating his arrival - but that, of course, does not make your loss any easier. I will keep you in my prayers. Fondly, Linda*

“ John Fusco to me was a real man. He was dedicated to his family and we all have more than one family. To my sister Gerry and his four sons and to the Fusco family he started with he remained fiercely loyal his entire life. From the Nadolski family still here and those that have passed away we all loved him. May he now rest in peace.

“ Uncle John, I will always remember our Christmas parties and all of us cousins gathered around you watching in awe as you performed card tricks. Your Santa will never, ever be topped! The chilli cookoff at Houghton Lake will never be forgotten and neither will your magnetic personality. Thank you for the wonderful memories.

“ There was always a happy time when John was around. John was the center of every occasion. We will never forget the happy days at Houghton Lake and the Chilli dinners. John was more of a brother to me than a brother-in-law. He will be greatly missed by all.

“ *I have many grand memories of growing up and laughing with Mike and Mr. Fusco - from getting haircuts to the Famous Fusco Chili, which, like it did then, lives on in us. May we celebrate his great life and his great family. He will surely be missed and we pray that Mrs. Fusco and those he loved will be at peace these days. He is seeing the face of God and they are laughing too. Tom Rashid*
