“ *Dear Mrs. Haas & Family, I am very sorry to read of the death of your husband. Please accept my sincere sympathy in behalf of your entire family. This must be a very emotionally difficult time for all of you. My family lost my dad when I was young, so I know what a hard loss it can be to cope with. What helped us through was the strength and comfort we received from dear family and friends and most importantly from our heavenly Father and God. (Psalm 46:1; 34:18) I pray that you and your family will receive such strength and support. Please take care.*

“ To a very good friend. A gentlemen that I have enjoyed knowing. John always had a smile and something good to say. John was very much in love with his wife Ruth. You could see it when they were together and when John was making the eggs for the Knights of Columbus Pancake Breakfasts. John always helped when he could. John you will be missed.
