“ *John was always full of humor. During the short time that we worked together we laughed almost daily. Some days John would say something funny in the morning, and we'd end up laughing all day about it. God Bless John and the family he was so proud of.*

“ Many people called John D. Hill III "Uncle John;" even those for whom John was not an uncle. Why? His wonderful sense of humor, his highly contagious smile and his complete lack of pretension made everyone comfortable around him. He was everyone's ideal of what an uncle should be. I am most fortunate to have been "Uncle John's" brother-in-law, but to my wife Kye Hwa, my daughter Sue Hyun and my three sons, Doug, Dan and Matthew, he will always be "Uncle John." All of us miss him very much.
