“ *Hey grandpa, its me again. I just wanted to say hello. & tell you how much I miss you. I got passed that one year mark, with a lot of trouble but I did it. It still feels so unreal, there are so many things I wish I could tell you. Although I am sure you already know. I am fixing myself, and becoming a young woman that you would be proud of. I have met someone who means the world to me, and that I want to spend the rest of my life with. I wish so badly that you could have met him, there is no doubt in my mind that you wouldn't have loved him. Little things everyday remind me of you. I love getting your reminders, they make my whole day. Ugh there is so much I could say, but I will keep coming in to say hello. I love you so much grandpa, I miss my santa. <3 love your babygirl brianne. <3*

“ Hey grandpa, I miss you so much. I cant believe its been 7 months since you passed. I am sorry that it has taken me this long to say something. It has been really hard for me, there isnt a day that goes by that I dont think about you. There is so much I wish I could tell you. I miss the days that we used to sit on the couch and watch tv, and I miss our long car rides to take me home, I loved our talks, you always made me feel better. Then you would buy me a cowtail and a slushie to cheer me up. I could use that right now, I really havent delt with all of this yet, I have been trying to act like it didnt happen. I know that you are still with me in my heart, I can always feel you around me when I am upset, you are here with me right now. You were the best grandpa any girl could ask for, and you still are. I love you so so so so much, and I will talk to you more often. I promise. <3 Thank you so much for everything you did, and everything you still are doing. I know your the one that just brought that sunshine in my window<3 I love you.

“ I look at your mother and see your eyes, please be with me during this hard time, please help me take care of mom. it is as you said, they are tired and arrogant, they will learn the hard way but as you said before, your mom will suffer, she misses you too, hate it you were right about your brothers all long, lisa too.. maybe someday your brothers will figure out the truth. I will tell the truth to anyone that will ask, dear lisa, I kept a copy of the letter I wrote you, anyone want the truth? my only comfort is that john knew the truth, I wish his brothers did, he never blamed you. another day, everyday without john is a day.

“ I was sorry ad saddened to hear of John's passing. he was a great co-worker and very funny. I always enjoyed talking to him and spending time with him. He did a great job and cared for the customers. He will be missed. Your friend Grand Pellosmaa John was just one of those guys that you admire. A true gentleman. I know he is in heaven, rolling down the street in a Mustang GT convertible. We will miss you until we meet again....Gregg Pucket My deepest sympathy on John's passing - he was a joy to be around - I admired him greatly - he will be missed - But I will always remember him .....Tom Otis I'm very sorry for your loss. It was a pleasure to work with John. He treated everyone with respect and his easy going nature put you at ease. John never failed to put a smile on my face. Monday morning he would ask "is it Friday yet?" Even when his health was wordening he would say he's a lucky man because he had the best wife & family. Please know that John had a great affect on everyone he met.....Lee Bjork Joh will be missed - we all thought if him often - he was always smiling, friendly and a gentleman. He loved his family and did a great job for the company. I know how you will miss him, but take heart in all the wonderful memories you have of your life together....Barbara (office girl)

“ Here is that old Indian prayer you liked. Do not stand at my grave and weep I am not there I do not sleep I am a thousand winds that blow I am the diamond glints of snow I am the sunlight on ripened grain I am the gentle Autumn rain do not stand at my grave and cry I am not there I did not die. We will always remember you and miss you

“ I drove with John his first year here (Country Pride Dairy). We went and had a bite to eat earlt that day. he was very service minded. Customer always was first and he was one of the best drivers (especially for schools) this company had. We talked on alot of occasions. Wish I sould have watched him bowl, or sit on his porch with him and just talk. He will be missed bcause he a mans man. Rest in peace.

“ My condolences to the loss of your husband, father and son. I remember John when I was a little girl and my grandmother, Mary Buckner, would take me with her to baby-sit Richard, Roger, and John. Jim and Hazel would come to our house in Nankin Twp.[now Westland] with the boys and visit for the day. My parents were George and Helen Huber. Please give my regards to Hazel and to the rest of the family for your loss. Would love an e-mail reply.
