“ Mr. Iwanski has been a part of my life since I met his daughter, Margaret, at graduate school in 1989. One of my dearest “sisters” that has been with me through thick and thin ever since. Mr. Iwanski was always involved in our celebrations and moments of achievement throughout our years together. He was the one to often first greet us all at one of Margaret’s many parties and gatherings. One of my favorite memories is sitting with John and listening to his stories from his life and discussing history. I always learned something new after talking to him and enjoyed his caring, protective presence at all the gatherings. He was truly loved and adored by his grand children when they would often sit on his chair’s arm and give him hugs and kisses. I will miss Mr. Iwanski and I am comforted by my faith in Christ’s promise of our resurrection. John is in heaven with his family from Poland —that he missed and loved. Love and prayers to Margaret and her family as they reflect on his beautiful life. With all My love, Ann Marie. ❤️🙏
