“ *Jack I remember Jack at the old First Baptist Church. Every guy wanted to be in his Sunday school class Jack took us out to the Wayne country airport and let us sit in a fighter jet. He took us flying in a small airplane. He would tell us stories when he was in Korea. Even later in life he was fun doing projects even building the youth center Lynnkaiser*

I have many fond memories of Jack but an outstanding one is the friendship he and my husband Ted had. Gosh they could talk together like a couple of old women. 😊

“ Wonderful memories with Jack. He was a good friend of many years and devoted his time to projects for upkeep of First Baptist Church and different ministries! Praying for his family as they experience his physical absence and rejoice with them he is in heaven! ❤️🙏

I remember asking Jack about installing a railing for the choir steps and shortly there after were the railings on both staircases...being disabled, I was so grateful for his quick response with no questions asked....he was a very special man...now with our Savior and Lord....blessins to Ruth and family...Rhonda Lee

“ We remember Jack and Ruth serving God at 1st Baptist with excellence. If they went to their cottage, they came back on Saturday so they could fulfill their obligation to the church . That always impressed us. Most people do the opposite, plus they were friends with everyone showing the LOVE OF GOD to all. God give comfort to his family. Chuck and Caroline Staples
