

## John Christopher Kayal

December 20, 1980 - April 13, 2025

Kayal, John Christopher, April 13, 2025 of Plymouth. It is with heavy hearts that we announce the passing of John Kayal.

A beloved son, brother, uncle, and partner, who left us far too soon on April 13, 2025.

Born to Anthony and Suzan Kayal, John was a man whose kindness, strength, and unwavering generosity touched everyone he met. He was the kind of person who would give the shirt off his back to help someone in need — not out of obligation, but from the boundless compassion that defined him.

He is survived by his loving parents, Anthony and Suzan; his devoted sisters, Sharon and Christine; his cherished nephews, Brandon, Justin and Giovanni; and his beautiful niece, Isabella. Each of them was deeply loved by him, and they carry his spirit forward in their hearts.

Above all, the most important person in John's life was his girlfriend, Beth. She was his whole world — his "baby" — and the love they shared was truly special. He would have done anything for her, and his love for her was constant, deep, and true.

John was a hard-working man who always put others before himself. Whether

through a warm smile, a helping hand, or a kind word, he made the lives of those around him better — simply by being himself.

He will be remembered not only for the love he gave, but for the light he brought into the world.

He will be deeply missed, forever loved, and never forgotten.

We love you Johnny! ♥

“ John and Beth cared for my Girls, Allie and Lilly whenever I was out of town. My girls loved their visits with them. John was always so thoughtful and helpful when packing, or unpacking my pups items. I'm saddened and shocked by John's and Beth's passing. I am glad I got to know them. They will both be missed greatly. My heartfelt condolences go out to both families.

“ Johnny almost always had my heater going for me by the time I got to work. He was always watching out for me in not wanting me to do “the heavy work”. I can still hear “gah ahead”. Things are just different without him. I'm praying his family finds solace and comfort in their faith with God. I know he loved his family and Beth-they're all he ever talked about. I miss you Johnny!

“ John was a neighbor I appreciated, he offer his help if I ever needed; in summer or winter. He and Beth visited our neighborhood Halloween front yard gathering once and other years John stopped on his own. It was good to know he would be available when needed. He and Beth will be missed.
