“ *This guy! - he always had the a positive spin on anything that was on your mind..*

And watching him with his smiles and laughter (and sometimes head shaking), as he observed the triplets and Abby, being themselves - priceless..

We will always cherish his kindness to our own kids ❤️

“ *My overall memory of Uncle Jack is that he always greeted you with a smile and he had this almost spontaneous laugh. He almost always perked you up with you were greeted by him. Rest in Peace, Uncle Jack.*
