“ *We are surely going to miss cousin Johnny. He was my Hero! Never forget picking him up from his first return home at the bus station. He looked so awesome in his uniform and he was coming home with us! He was magnificent, successful, very stately you might say. He had a big heart to match his big eyes! We know you will have many awesome golf games and catching up with family. We love you!*

“ I have known John for about ten years, but it seems like a lot longer due to the fact we bowled in the same league all winter and golfed in the same league all summer. He was one of those tough guys who had a heart of gold when you needed help (like when i took over the sec/treas spot on the bowling league). He will always be remembered as a great friend and will be sorely missed.
