“ *Im truly sorry to hear about your lost. John will definitely be missed by so many. One thing that helps me deal or cope with loosing a loved one is the scripture John 5:28,29. It stats " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment." Soon we will be able to see John again because God (Jehovah) promises a resurrection hope. Also if you notice that it uses the term "memorial tomb" and not [Grave] which means Gods memory. John seemed like a really nice guy, a person that God will definitely remember. I hope this gives some comfort. Dion R (Truth.1914@yahoo.com)*

“ To the family and friends of John: Although I never met John, I spoke with him numerous times and found him to be a very nice, soft spoken man. I know our Michigan family employees are devastated by his loss. May you all gather strength in the wonderful moments and lasting memories that you shared. Take care, Donna

“ Coming from Colorado, I met John in the early 70's when we were both living in the Trafalgar apartments by Venoy in Westland. We went camping on his property up by Lake City and shared many good times when he introduced me to his friends. When I moved to Dearborn we stayed in touch from time to time. The last time we met was in Plymouth probably 6-8 years ago where he was displaying his restored Ford Truck at a car show and he told me that he was going to give the truck to his daughter Suzanne. He looked great at the time. Great friend and he will be missed. Our condolences to the family.
