“ An amazing man that treated me like a second son and was like a second father to me. I will never forget all the things you did for me and all the moments growing up with me and Scott from little league baseball coaching to Saturday morning bowling leagues to Michigan panthers and Detroit Lions games. Going out of your way getting me my favorite Boston cream doughnuts every morning after I spent the night at your house . I will always remember your great sayings like wachamacalit to have a catch to owe me a coke. Great times in your family room watching the Red Wings on PASS cable and me you and Scott debating if the red wings could come back from being down in the game. It could keep going with so many amazing memories. You will be missed Love you so much

“ I will always remember Uncle Jack as a funny man who never had a negative thing to say about anyone. I enjoyed going to the bowling alley and watching him and my dad on their bowling league. I remember Uncle Jack making the turkey noise whenever he got three strikes in a row. You will be missed Uncle Jack. Love you.
