“ *I am so Sorry! for the loss of your father. I was blessed to have gotten to know him, and his wonderful smile working at Plymouth Park Apartments. He would come in everyday and sit and talk with me. He always called me the Polish Queen, and we would tell each other stories of things we had done in our lives. He always made me smile. He was A WONDERFUL man and I will miss him so much!!!*

“ *My deepest sympathy to John's family and to "Mom" Delores Walker. Many lives were touched by John and I am holding all of you in my thoughts, wishing there was something I could do to help. To loose someone you love is hard. May you all find courage from loving memories, strength in the light of each new day and comfort in the love and kindness of this wonderful and loving man, John. And my sincere Thanks to "mom" for letting me have the pleasure of knowing and caring for this true American Hero. God is with you in your sorrow as He was with you in the joy John brought all of you. May your Faith bring you comfort. Love, Annette Bowden*

“ As far back as I can remember, your dad was just love and joy, and that is one of many of the gifts he gave to his daughter Kathy. My heart is filled with such sadness. My prayer is that each of you, Kathy, Chris, Mike, and Michelle, will remember the love and the joy this gentle man inherited to each of you!

“ My deepest sympathy to John's family. I had the pleasure of knowing John from my former employment at Plymouth Towne. What a wonderful man he was. Twice he made me clam chowder and it was excellent. He had a welcoming smile everytime I saw him and will be missed by many. I hope his family and friends find comfort at this time.
