

John McLellan

June 19, 1935 - February 23, 2024

McLellan, John, February 23, 2024, age 88 of Canton Township. Beloved husband of past spouses; Mary, Suzanne, and Jimmie Dee. Loving father of Michelle Neely, John (Jan Ryndress) McLellan, Stephen McLellan, Judy (Jeff) Thiede and Michael (Becky) Hollimon. Beloved partner of the late Pat Manke. Also leaves many grandchildren and great grandchildren. John proudly served our country in the U.S. Army during the Korean Conflict. He loved details and his work reflected that. He was an Engineer by trade, starting out as a high school co-op draftsman for Allison Chalmers in Boston, MA. He continued his trade of drafting while in the Army and upon discharge found work with Pratt & Whitney in Boston. He later transferred to their plant in Florida where he worked on the compressor section of the J58 engine used in the SR-71. He later worked for General Electric on the Manned Orbiting Laboratory project, then on the engines for the C-5A Galaxy and then on the F107 engine used in the air, submarine, and naval launched Cruise Missiles. He ended his Engineering career with North American Lighting working on automotive driving lighting solutions. He recorded many details of his life in calendars and predates web searches in his ability to let you know what the weather was on any particular day the previous 50 years, as well as what he ate and spent his money on. He was a character; always had a story and a joke for any occasion. He loved to ride his bike and really missed that in his last few years. He was very proud of his children and grandchildren, as well as all those close to him in his final years. Funeral service and burial will take place on Saturday,

March 23rd 12:00 PM at Toledo Memorial Park and Mausoleum, 6382 Monroe Street, Toledo, OH 43560. The family would appreciate memorial contributions made to Disabled American Veterans, PO Box 14301, Cincinnati, OH 45250-0301. Arrangements entrusted with Vermeulen-Sajewski Funeral Home, Westland.
