“ *I was very sorry to hear about your father today. Jack and I had a pretty good history together. The day he retired, he had to drive me home from work because I did a little too much celebrating. I'll miss him. Again my condolences Henry*

“ *Vicky ; IO worked with Jack for many years. I remember all the doughts he would bring in from your work place. It took us a while ta adjust to Jacks ways, but in time I believe that he mellowed as time went by. Especially after the birth of his first grandchild. I hope all the good memories of Jack will get you through these sad days ahead of you. My prayers are with you and your family Respectfull Linda*
