“ *God is the Creator of life. The bible calls Jehovah God "the source of life", found at Psalms 36:9. The One who gave life to all living creatures is certainly capable of restoring life to someone who has died. Is it not comforting to know that. You have my deepest sympathy and I hope these scriptures give you comfort.*

“ Dear Cleo, words cannot express the feelings I have for the loss of  
John. John was truly a fine man full of warmth and laughter. May  
God hold you in his arms and give you strength at this time and that  
you may cast all of your cares upon Him. Stella
