“ *John was a very kind man with a quick dry wit. I knew him when he ran the gym with Dale Hawkes. Then he was my Sergeant when I began working at Westland PD. He always treated me with respect. I was fortunate to have worked at the same agency with him for half my career at Westland.*

“ *Uncle Jack always conveyed two things: Strength and Humor! He loved to laugh and he loved to be with good people. No wonder he doted on his sweet bride, our aunt Shirley Ann throughout his life and worked tirelessly to care for her and his family. We loved him and will miss him, but we will always cherish all the good he left in our hearts.*

“ Uncle Jack was the only person my mom would let call her “Marge”. Our families were always so close. He was so Loved!! I am so sorry for all of us that he has left this world; but happy he is reunited with Aunt Shirley Ann, and those who have gone on before him. I will always remember his crazy sense of humor....he loved to poke fun at everyone he could!!💙❤️

“ I had the honor of calling him Dad. I am truly blessed being part of the Reddy Family and have some many wonderful memories. My most cherished memory of Dad was I was around 9 years old and spending almost everyday at the Reddy house. I would run home and call to say I was home safe. I hear dad saying how is Ann Marie home already? A few days later dad said I am going to follow you home in my car, I ran as fast as I possibly could. Got to my house and with his big beautiful smile dad said Ann Marie you sure can run fast see you tomorrow good night. He will be truly missed by all that knew him and loved him. Until we meet again Dad. I love you ❤️

“ My earliest memories were of Aunt Shirley Anne and Uncle Jack coming over to play cards with Mom and Dad, while we all played with Sheri, Johnny, Sheila, Richard, and Nicole. You were always one of my heroes and you'll always be my Uncle Jack. Love you.

“ Uncle 'Jack' was pretty cool. Reminded me of Robert Blake's Tony 'Baretta' on TV during the 1970's.
