“ *Im truly sorry to hear about your lost. John will definitely be missed by so many. One thing that helps me deal or cope with losing a loved one is the scripture John 5:28,29. It states, " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see John again because God (Jehovah) promises a resurrection hope. I hope this gives some comfort.*

“ Kathy, we were so saddened to here the news of John. What a fine Christian man John was and proudly "walked the walk" with you at his side. I remember well when John carried the cross down the aisle at RCLC as we sang "Lift High the Cross"....how proud he was....and singing in the choir....could always pick out his voice. Oh, how he loved to sing! He always had a friendly smile and most times, something funny to say! We loved John and,we love you Kathy and pray God will continue to walk with you during difficult days and may the fond memories of John bring a smile to your heart.

“ *Such a sweet face, it evokes so many memories, so many fun times shared with John at the Township during his days there. Kathy you were blessed to share your life with such a kind soul who touched so many people in so many ways - we all loved and cherished him and will miss him but know we will rejoice when we see him in heaven. God be with you and your family. Thank you for sharing John with us and allowing our lives to be better because of him! Our hearts are sad but we know eternity offers us all so much more!*

“ *Dear Schdimt family you have my deepest sympathy for your lost. The resurrection hope is the greatest gift that God, and Christ could have gave us. Because of Jesus' ransom sacrifice he can, and will raise those back to life, those who have lived their life faithful to Him and his Father. (Matthew 20:28; John 11:25,26) If you want to know more go to jw.org.com official website.*

“ We were very saddened to hear of John's passing. John was a man of integrity and whatever he did he did with gusto. He has been missed at Risen Christ the last few years but seeing he and Kathy at Kroger was always a treat. I believe that the "Manhattan" that I was served in the Schmidt's back yard was the best I ever had. If you don't have a copy of the "poem" Safely Home, let me know and I will send it to you as it truly is fitting in John's case.

“ We are deeply saddened by the news of John. Our heartfelt sympathy goes out to you, Kathy. Please remember that you and your family are in our thoughts and our prayers. Although I only knew John for a short period at RCLC as my usher captain I have fond memories of him. He was such a kind soul, who will be greatly missed by all who knew him. May God give you comfort, strength and peace to get you through this difficult time.

“ Please accept our condolences on the passing of John. We counted on him a lot at the museum for his knowledge and his leadership. As with the former chairmen of the Maintenance Committee, Louis Norman and Bruce Richard , his shoes will be difficult to fill. We will miss his wonderful sense of humor and his willingness to pitch in on any task. His friendship was very important to us and we both will miss him greatly. Unfortunately we will be out of town on June 8 but our prayers will be with you and your family.
