“ *My deepest condolences to the Sidor family. Though his time on Earth has ended, his eternal paradise in Heaven has just begun. He will be with you always in spirit, waiting until you are all reunited. In Polish, there is no "good bye", only "do widzenia".*

“ *To Debby and Family, I am so sorry for your loss. It is something you never get over, but rather learn to live with. And, after my own father died, I heard his voice over and over again, with every decision I had to make. He was there. I know you will have that blessed experience with your father as well. Move on - now you have a saint to look after you. Do what he would do. Mary*
