“ *Dear Mary and family,*

*My Mom and I wish to send you our deepest sympathy in the passing of your dear husband John. I have great memories of him when he and my dad Harold worked with one another at Commonwealth Industries. I'm sure that they are now together, and possibly having a beer together! I remember John as a very happy go lucky man. I hope that you and your family will cherish the great memories of your life with him.*

*My Dad passed away in 1998 and my Mom is still living in Holly and doing very well. She would love to talk to you when you are up to it. Give my best to your family and take care of you.*
