“ *Im truly sorry to hear about your lost. John will definitely be missed by so many. One thing that helps me deal or cope with loosing a loved one is the scripture John 5:28,29. It stats " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment." Soon we will be able to see John again because God (Jehovah) promises a resurrection hope. Also if you notice that it uses the term "memorial tomb" and not [Grave] which means Gods memory. John seemed like a really nice guy, a person that God will definitely remember. I hope this gives some comfort. Dion R (Truth.1914@yahoo.com)*

“ *John you and I became very close so quickly and I am so thankful for that. Whenever i had a bad day you always could make me smile. I loved the way you loved Kourtney, that showed the world what a great man you were. I am gonna miss shopping with you for christmas and just talking when i needed an ear. I will love you forever and you will always be in my heart. You will never be forgotten.*

“ To all of you guys, we were sooo sorry to hear about John John. Sometimes our voices can't find the words to say what our hearts can feel and understand. Remember we are thinking of you, caring about you all, and wishing there were words to express the sympathy that goes out to you today. Please know when someone you love becomes a memory, the memory becomes a treasure. Because of those memories he will always be with you. We love you guys and will pray that God helps you all through this time of grief.

“ My dearest John, together, you and I made our greatest blessing, our beautiful daughter, Kourtney Grace. I couldn't have picked a better man to be the father of my child. You lived everyday for her and now you will live everyday with her. I promise to always keep your memory strong, to remind her of your love when she needs it most, and to encourage her to embrace the memories she has of you, now and always. Thank you for blessing my life, your kind and gentle heart will be sorely missed. With love, Becka
