“ *There is a special angel in heaven now, that we all know. My thoughts and prayers go to all the Deane family for the loss of Jon. I wish my arms were long enough so they can reach Michigan to give each of you a warm, loving hug. The days ahead are gonna be tough but the love that your family have for one another will bring you all strength and comfort. Although Jon is not here in body he will live on in spirit and loving memories that you all will treasure and cherish for a life time. I thank God for sharing and letting the Deane family into my life. I will treasure the times we have shared together at Evergreen. I want you all to know you are in my thoughts today, and always. Till we all meet again, Love you all.....
