“ *I wish to offer my condolences for the Durant family in their loss. I first met Joe when his friend Dorothy told me he needed someone to clean his apartment. I cleaned his apartment once a week but it wasn't long before we became good friends. I really enjoyed his humor and his company. We started our day with starbucks coffe, cheese danish, and conversation on the news of the day. Joe was a wonderful man and I will miss him greatly. Once again, please accept my condolences Sincerely, Teresa Sardinha*

“ *I write to do what is recorded at Romans 12:15 to weep with those who are weeping. Its okay to mourn our dead loved ones because even Jesus did the same as recorded at John 11:33-35. But the comforting thought is hat we have apromise from God that he will bring back the dead to life and will be able to reunited again. This a true promise found in the bible at John 5:28-29. So our hope is to lookforward to seeing Joseph again.*

“ *Dear Durant Family: We are all saddened by the loss of "Uncle" Joe - we hold so many happy memories. He was truly a unique individual with the most generous heart. As kids, we always looked forward to his visits and as adults, treasured the lifelong friendship he had with all of us. We hope he gets together with Dad & Paul for the next race! Love & prayers, Sue, Stacey, Leslie & Valerie & Eric*
