“ *JOE NOT A DAY DO I NOT THINK OF YOU LOVE YA MISS YA VERY VERY MUCH*

Joe Greenwald - December 12, 2014 at 10:35 AM

“ *Dear Alice, Doug, & Family:
I am so sorry for your loss. I am so blessed that I just saw Joe a week before his passing, we hung out for hours and ironically enough laughed all night about our past together and his recent trips to Fla. & La for the hurricane relief projects, and how excited he was to finally become an uncle. After seven years of dating Joe and 16 years of a wonderful friendship I must say he was and ALWAYS will be the most wonderful, caring, giving, and understanding person I will ever come to know. As I find myself day after day trying to fight back the tears of losing him, I smile and think if there was one person I want looking out for me up there it is him. He was "my angel" here on earth and he is "my angel" forever more!! He was the true love of my life and will never be forgotten!! Please know I am here if there is anything I can do and you are in my prayers.*

“ Alice,

I don't think we ever met (I know Mark Hutchins and used to attend the Northridge Singles Ministry) but I want you to know that I care deeply for you in your sorrow and will be praying for you as you come through this valley. May the Lord bless you and keep you and make His face shine upon you and give you peace and comfort at this time and always.

“ Joe worked for my dad at the auto parts store many years ago. My brother and I had so much fun riding around in his car with him and he was always good to us. He will surely be missed. My thoughts and prayers are with his family.

“ To Joe's family, I send my heartfelt tears and my prayers. I am Rachelle's mother and have been close to "Joe Joe" since 1990. I have always loved him like a son, and we have kept in touch throughout these past 15 years. He was invited to our family events and spent many holidays with us. Joe Joe will be truly missed, and never forgotten!!
Secure in His everlasting arms.

“ Dear Alice and family,
Please accept my heartfelt sympathy in the loss of your dear son,
Joseph (Joe). I can only imagine how difficult it is for a mother to
bury a child. May you be consoled in the belief that he is now in a
better place, united once again with his father, and preparing a
place for you.
Be assured of my prayers for all of you.
In loving sympathy,
Pat Guthrie, IHM

“ I so sorry to hear about Joe. I am a neighbor of Joe's and so
enjoyed him. He would always have a smile and always made it a
point to come down and talk and give me a hardtime! He was truly a
great guy and will greatly missed!

“ I am very saddened to hear about Joe. I was introduced to Joe by
Joe Martzig a few years ago and took a liking to him immediately.
We shared only a few good times together, I wish it could have been
more. My prayers are with Joe and family.

“*I just wanted to say how sorry I am to Joe's family. You don't know me but Joe and I have become good friends in the past couple of years, after meeting through Joe Martzig. I loved Joe's sense of humor, he always made me laugh. I will miss him dearly, but I will never forget.*
