“ *So many memories I can't list them all, Joe was Hilarious, he could always make you laugh and pick up your sprits, He cared about people, had a big heart, and I for one am going to miss this man everyday.*

*Hi Chuckie!!! My dad still talked you all the time 💜 He would tell me how mad your mom would get at him because he corrupted her son.*

*I know he remembered you fondly!!! Lol 😊💜. All of those crazy days with that catering truck !*

“ Kim your dad was a gentle giant who brought smiles everywhere and anywhere. 😊 He liked to see people laugh and smile at his silly jokes.

Still remember the time you asked him for money for a concert and he said “sure I’ll give you some money”. He handed you a canvas bag full of rolled coin. We both looked at each other like what do we do with that. 😳 Haha 😂

He laughed and said “what you asked for money” I’m giving you money. So together to the bank we went ..... writing on each rolled wrapper so we could use the money to pay for concert tickets. 😊 Good thing we didn’t have to go far because you lived next door to a bank. Lol

May he rest in peace and watch over you and guide you through life until you meet again. 😇

Love and hugs 🤗

Love ❤️ Tracy

“ My dad was the funniest person I knew. I feel so blessed to have gotten his Awesome silly sense of humor. Every time we went to McDonald’s he would order a Whopper and every time we went to Burger King he would order a Big Mac. Everywhere we went, he made sure that people were laughing. 💜😊

He was a biker tough guy to most people but to the lucky ones he was a loving, caring, hilarious man. ❤️

I am going to miss him so much but I know that I will see him again.

*First Cousin Joe Klonica. We grew up together in Detroit and lived on Montrose from infancy to 12 years old. Always remember Joe as the leader of the pack, always challenging us, laughing and a big jokester as well as a listener when he wasn't talking. Will remember Joey with fond memories. In peace ~ Carol*
