“ Joe, you sure were quite the character, but you were also a very genuinely good person. I will always laugh at our story of “Opening Night at Tonda T-Ball”. That moment absolutely is Joe Montagano fully captured in an instant!!
You will be missed but we thank you for all the memories!

“ Joe was a great friend first, a customer and a funny guy. He was the first person to talk to me at Thurston High School when I arrived there in 1980. He worked hard played hard and had an enviable life with his true love Dawn. He will be fondly remembered and genuinely missed. RIP my friend 💔.

“ We had great times together. Mudhens, minor league hockey and deep political discussions. It really was a pleasure knowing you, a fellow union trades person that took great pride in everything you did. I am happy that we worked on each other's houses. You were always helpful and kind. I am grateful to have known you and I will miss you. Godspeed. See you on the other side one day.
