“ *Fran and Michelle .... I haven't seen or talked to either of you in a very long time but I just saw Joe's obituary in the paper . I send my deepest sympathy to both of you at this time.*

*It was so long ago and I have thought about all of the times that you and I played together Michelle. Those were good times for me. I always loved to see your Mom and Dad sitting in the driveway in their chaise lounges just about every night in the summer watching everything that was going on.. I remember the cat that you had and your Dad was so proud of it.*

*Fran, I will never forget the times after Michelle was born that you let me come over and watch you give her a bath and then she would have her breakfast of mashed bananas.. All of you were great neighbors. I had a lot of fun times with you Michelle that I will always remember. And then we grow up and are gone along with the time.*

*Where did it go?*

*I will think of both of you in the next few days and will pray that the Lord comforts you in your time of sorrow...*
