“ *You will be soooo missed by everyone. The twinkle in your eye, and that sly smile, that put everyone you met at ease. I am soo glad we got to go to the Air Force Base in Dayton. I have never seen a man so proud, and so very respected by everyone. I know that you are safely in Gods hands now, I wont say goodbye,I will just say "See you later Col." Love Frani*

“ Just like everyone, I loved my Great Grandpa very much. I'm so happy that he got to live such a great life. He traveled many places and did what he could to help others. My favorite memory of my grandpa would be going to his house for lunch, he always made the best sandwiches. I finally figured out that his secret was using Hellman's Mayonaise on my turkey sandwich instead of Miracle Whip! But the best was when he'd kiss us and he'd stick out his teeth. I'll never forget that! He loved everyone and everyone loved him. He will be missed dearly. I love you Grandpa, you were my hero. I'll see you again someday. =)

“ I write to do just like the greatest man whoever lived the earth did, as recordrd at John 33:35. He cried with the bereved. And also Romans 12-15 tell us the same. I encourage you to read the scriptures from your personal copy of the Bible. The comforting message is that God has promised to raise back the dead and you wil be able to see Joseph again and no man will say i'm sick again. John 5:28-29 and Isaiah 65:19 confirms that. Sincerely
