No matter how young or old. No matter what circumstance does a parent ever want to lose their child I can't imagine how heartbreaking this is. I love you both very much. May you find comfort from all the family and friends that loved Joey.

You were an awesome cousin, I remember when we were kids and we used to take turns playing Spiro on PlayStation at grandma's house. I remember we always use to have long talks on xbox live talking about videos games and tv shows that we both were crazy about, I'll always cherish those moments. Im gonna miss that. Im gonna miss you Joey, I'll see you again up in heaven along with the rest of our family. Rest easy now, I love you cuz, god bless you
