“ *Joe grew up down the street from us, and he was a great guy. One time, my friend, Cindy, and I went to the late showing of the movie Friday the 13th when it first came out. We were so terrified (silly, I know) when we were driving home, that we didn't want to get out of the car to go in to each of our houses. We kept driving around, and happened to pass Joe just pulling up to his house, and we told him about our crazy predicament. He immediately offered to follow us down the street to our houses and watch while we went in. Is that a great guy or what? RIP Joe, and prayers for his family. Please post when the Memorial Mass will take place, as I found out too late to attend the visitation. Thanks.*

“ *I met Joe when he worked at IHA...was such a friendly helpful guy. Then I met and worked with Erin. Such a GREAT family... I'm glad you could be with him and know he will watch over all of you...❤️ I know how hard this is but you'll always have the wonderful memories...Pam Alli*

“ So very sad to hear about the passing of a wonderful childhood friend. We lived across the street from Joey and spent many a day enjoying each other - his brother and sister -?my brother and younger brother doing the things that neighborhood kids do. We had so much fun in each season of the year in that wonderful neighborhood just outside of Detroit. Heartfelt sorrow and sadness to the family of Joey and I'm so thankful for the memories that I hold to this day with him. - cort -
