“ *Probably the best memory was visiting him a couple years ago alone no family around and showing him my life in Florida pictures of what I was doing. He really cared and wanted his family to be successful and happy. DziaDzio was the glue to our family. DziaDzio did what was right including being a war hero in the Battle of Montecassino. He was a writer he wrote a book teaching people how to speak polish. He was an engineer. My DziaDzio accomplished a lot in his life and everyone is blessed to have him in their lives as I am sure I have an angel that will guide my life. Love you DziaDzio!*
