“ *I'm grateful for the chance of knowing Joe over the years through my dear Jackie, Joe's sister and my second mom. Joe and Thelma were so much fun to play cards with when we were back home visiting. Many happy memories of crazy poker games and lots of laughs!*

We are glad to have known him.

“ My Brother Joe was someone you would always remember ! He was strong and had a heart to love! His family was of such importance to him. He had many friends who loved and admired him. He was loyal to all of them. He was just a loving beautiful person. He could tell a great story with all the animations, standing and moving about. He did his best to keep in touch with his friends and relatives. I'm going to be at a loss without him and our daily phone calls. He will forever sit in my heart as the best brother any person could be blessed to have. Thank You Joe and thank you God for him! I also want to thank my nephew John for the loving care he gave to my brother. Joe said “ no one could do it as well as John “ He loved you very much.! There are to many memories to share but they will always be with me.
I love you Joe

“ *Joe was a wonderful person, next door neighbor and family friend. When I was a little, Joe would go out of his way to make me "Pizza Fritta" (fried pizza dough) which was always a special treat. Thank you for being Dad's best friend. I know the two of you, Mom, and Thelma are up in heaven playing the ponies together. Joe, be at peace, you will be missed. Lynn Mey*
