“ Mrs. Baack taught my son at Bulding Bridges and then went on to tutor him in elementary. I am so sad to hear about the news of her passing! She was so amazing with him. She was one of the few people that were able to make a true connection with him. My condolences to her family and friends! She was a special kind of teacher. I'm sure she will be greatly missed!

“ Joyce taught me how to read and write, which enabled me to build a future. She was always so kind, patient, and giving. I can not express enough how bottomless these attributes were when she was working with me. Joyce made me feel smart and confident despite my disabilities. I will forever be thankful for those gifts she gave me. My deepest condolences go to Joyce's family.

“Joyce has left an everlasting warmth in so many people's hearts -- such a beautiful person in so many ways. Always had something nice to say and had a way of making things better for you. Incredibly giving with her time and I sincerely appreciate all that she has done for our family, especially my parents. She will be missed beyond words but I know her spirit will live forever.

“Joyce gave our little Elizabeth such sweet love as she cared for her while her mom worked. She sang sweet lullabies as she held her and loved her as her very own. We will never forget you my friend and E will always treasure her blankie and "nighnie". You were loved beyond measure by all of us whose lives you touched.
