“ I only met your loved one through her love for the feline family at Astro Chat, but her love for her cats was tremendous. I remember she came on line out of distress over an ailing cat, seeking help. She will always be with you through all that you do and is holding and loving more cats than any of us can imagine on the other side! You have my deepest sympathies and prayers. God Bless..

“ To the family of my dear friend, Cleo, I would like to extend my deepest sympathies. I never met Joyce in person, but knew her kind and loving spirit for many years in AC online. Her love for all small creatures and also her beautiful spirit was always an inspiration for me and I will miss her very much. I will keep you as her family in my thoughts and prayers hoping that the knowledge that Joyce has moved on to a better place where there is no pain and plenty of kitties to hold on her lap will ease your pain. With my deepest sympathy, Margie Denner-Weeki Wachee, Florida

“ I knew Joyce through our internet connection. She was a lovely considerate friend. She fought so hard against such trial and tribulation. I wish her peace now with her cats besides her helping her through this next stage. Love you Joy. Family, she is at rest now, do not grieve, be happy that she is pain free and her spirit soars aloft for ever.
