“ *Dear Family of Joyce,
How very sad I am to hear of your Mother's passing. She was so kind to keep in touch over the years. My father, Dr. Robert James Armstrong Irwin from Buffalo was your father's cousin. When I was young your Mom and Dad came to visit our family in Buffalo. My father was very happy to have your Mom and Dad visit. I was clearing off my desk and found a Christmas letter from your Mom from 2012 and one that I sent her and was returned. With great regret I'm sorry I didn't follow up and find her sooner. I will share the news of her passing with my brothers Robert and William and sister Susie Irwin Garver McWilliams.
Wishing all my cousins,
Very Best Wishes.

“ I had the great pleasure of knowing your mom and your dad. She was so beautiful in both appearance and soul. I have many memories from when I was a young girl all the way to adulthood. She and your father where a most wonderful couple. I am sure you miss them both. I remember them best for their smiles and kindness. God bless you and your family.

I was fortunate to have many contacts with Joyce over the years. It was always a pleasure to see her dash around Plymouth to one volunteer opportunity or another. She had a terrific sense of humor and a great laugh. And it seems like she always had a good story to tell. She was a wonderful woman.
