“ *I remember Joyce as a wonderfully gracious, delightful woman. I got to know Joyce as we shared in a small group Bible study together. She shared her love for God and her faith in a way that I found deeply inspiring. The saints and angels are welcoming her into paradise. Warmest condolences to the Parsell Family.*

“ *My childhood memories are filled with her beautiful voice and her smile. She always took the time to have conversations with all of us, to make us feel special..So much laughter came from her home. She had such intelligence and kindness. She was the finest example of an English lady. This woman made lasting impressions on those of us who were blessed to have been a part of her time here.* *Barb*

“ *Parsell Family,*

My thoughts and prayers are with you all at this time of your loss. My childhood has many memories of the families on Wormer, but I remember how gracious your mother was to all of the children on the block. May eternal rest be granted unto her O Lord, and perpetual light shine upon her.
